ASSIGNMENT OF U.S. PATENT APPLICATIONS

Whereas, Brian Horowitz (hereinafter "Horowitz"), of Lake Forest, California has invented new and useful improvements (hereinafter referred to as "Inventions"), which have been covered by U.S. patent applications, the identities of which are listed at Exhibit "A" which is attached hereto and made a part hereof;

Whereas, Stephen Davenport, an individual, (hereinafter referred to as "Davenport") having a mailing address of 3542 Hawkwood Road, Diamond Bar, California 91765 wishes to acquire a 50% (fifty percent) undivided interest in and to the Inventions of Horowitz and in and to the patent applications therefor as listed in Exhibit A;

Now, therefore, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Horowitz has sold, assigned and transferred and by these presents does sell, assign, and transfer unto Davenport and to his successors, legal representatives and assigns, a 50% (fifty percent) undivided interest in the right, title and interest in Horowitz's Inventions and in Horowitz's patent applications and any continuations or divisions thereof, for the territory of the United States of America and all foreign countries, said 50% (fifty percent) undivided interest in said Inventions and patent applications to be held and enjoyed by Davenport for his own use and enjoyment and for the use and enjoyment of his successors, legal representatives and assigns, to the full end of the term for which said U.S. Letters Patents on same would have been granted to Horowitz had this Assignment not been made.

Horowitz hereby covenants that he has the full right to convey the interest herein assigned and that he has not executed and will not execute any agreement in conflict herewith.

Horowitz further covenants and agrees that he will communicate to Davenport and to his successors, legal representatives and assigns, any facts known to him respecting said Inventions and said patent applications and testify in any legal proceeding, sign all applications, make all rightful oaths, and do everything reasonable to obtain proper patent protection for said Inventions in all countries.

In testimony whereof, Horowitz hereby consents to and executes this Assignment as of the date indicated below:
