ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, made by **Scott Novich** (hereinafter referred to as Co-Assignor), residing at 2900 West Dallas, # 306, Dallas, Texas 77019;

WHEREAS, Co-Assignor has invented certain new and useful improvements in **PROVIDING INFORMATION TO A USER THROUGH SOMATOSENSORY FEEDBACK**, set forth in a Patent application for Letters Patent of the United States, already filed on June 25, 2015 as U.S. Application No. **14/750,626**, which claims the benefit of priority to U.S. Provisional Application No. **62/022,478** previously filed July 9, 2014; and

WHEREAS, **William Marsh Rice University**, a Texas non-profit corporation organized under and pursuant to the laws of Texas having its principal place of business at 6100 Main Street, Houston, Texas 77005 (hereinafter referred to as Assignee), is desirous of acquiring a joint undivided right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Co-Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, a joint undivided right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be

granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Co-Assignor, had this sale and assignment not been made.

AND for the same consideration, Co-Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Co-Assignor is a lawful owner of a joint undivided right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Co-Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Co-Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Co-Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns requests such action.

AND Co-Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

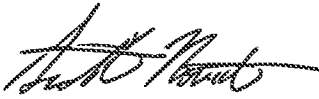

AND Co-Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

NORTON ROSE FULBRIGHT US LLP

All practitioners at Customer Number 26271

AND Co-Assignor acknowledges an obligation of assignment of this invention to Assignee at the time the invention was made.
