**ASSIGNMENT**

For valuable and sufficient consideration from QSA Global Inc. (hereinafter referred to as "Assignee"), a Delaware corporation having a principal place of business at 40 North Avenue, Burlington, MA 01803, receipt of such consideration being hereby acknowledged, Mark Shilton does hereby sell, assign and convey unto Assignee, its successors and assigns, all rights, title and interest in and to United States Patent Application 15/118,192 filed on August 11, 2016 including any and all inventions thereunder as well as any and all earlier filed priority applications and inventions therein, and in and to said Patent Application and in and to all other patent applications now or hereafter filed in the United States and countries foreign to the United States (including divisional, continuation, reexamination and reissue applications, and legal equivalents thereof) based upon said inventions, and in and to the patent or patents granted thereon or issued therefrom, including reissues or the like thereof, if any, to the full end of the term or terms for which said patent or patents may be granted or issued.

Mark Shilton hereby further agrees and authorizes the Commissioner of Patents and Trademarks of the United States and all other appropriate government officials for application countries foreign to the United States to issue any and all above-identified patents to Assignee.
