ASSIGNMENT OF PATENT APPLICATION

I/We the undersigned have agreed and hereby agree to assign to ALECO CONTAINER, LLC, a Colorado corporation having its principal place of business at 5545 West 56th Avenue, Unit F, Arvada, Colorado 80002 (hereinafter ALECO), for good and valuable consideration, the receipt of which is hereby acknowledged, and do hereby sell, assign and transfer to ALECO, its successors and assigns, the entire right title and interest, including the right of priority, in, to and under a provisional patent application of the United States entitled:

OUTSERT FOR ALUMINUM WINE BOTTLE

Filing date: April 3, 2017 Serial No.: 15/478,035 and the invention(s) and improvement(s) set forth therein, and any and all non-provisional patent applications, claiming priority therefrom including continuations, divisionals, renewals of and substitutes claiming priority therefrom, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor; and any reissues, or reexaminations, or extensions of said Letters Patents.

I/We additionally authorize ALECO to file applications in my/our name for Letters Patent in any country, to be held and enjoyed by ALECO, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me/us had this assignment, sale and transfer not been made;

AND I/we hereby covenant that I/we have full right to convey the entire interest herein assigned, and that I/we have not executed and will not execute any agreement in conflict

herewith, and I/we further covenant and agree that I/we will, each time a request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said invention(s) or improvement(s), said application and said Letters Patent, to ALECO, its successors, assigns, nominees or legal representatives, and I/we agree to communicate to ALECO, or to its nominee, all known facts respecting said invention(s) or improvement(s), said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisionals, continuations, reissue and foreign applications, to make all rightful oaths and declarations, and generally to do everything possible to aid ALECO, its successors, assigns, nominees and legal representatives to obtain and enforce, for its or their own benefit, proper patent protection for said invention(s) or improvement(s) in any and all countries provided the expenses which may be incurred by me/us in lending such cooperation and assistance are paid by ALECO;

AND I/we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to ALECO, as assignee of the entire right, title and interest, any and all Letters Patent for said invention(s) or improvement(s), including any and all Letters Patent of the United States which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this assignment.
