ASSIGNMENT

We,

Michael Castro of 23 Weathervane, Plymouth, Massachusetts 02367;

Joseph Karcsmar of 475 Paramount Drive, Raynham, Massachusetts 02767;

R. Maxwell Flaherty of 2122 Kirkland Lake Drive, Auburndale, Florida 33823; and

J. Christopher Flaherty of 2122 Kirkland Lake Drive, Auburndale, Florida 33823.

having invented improvements in ORAL RETRACTION DEVICES AND METHODS identified as Attorney Docket No. MED-059PR2, described in an application for Letters Patent of the United States, which application was filed on September 19, 2014, and assigned Serial No. 62/052,736, and;

having invented improvements in ORAL RETRACTION DEVICES AND METHODS identified as Attorney Docket No. MED-059PCT, described in an application for Letters Patent of the United States, which application was filed on November 24, 2014, and assigned Serial No. PCT/US14/67091

for good and valuable consideration, receipt of which is hereby acknowledged from Medrobotics Corporation, a Delaware corporation having a place of business at 475 Paramount Drive, Raynham, Massachusetts 02767 (and hereinafter called the Assignee, which term shall include its successors and assigns), do hereby sell, assign and transfer unto the Assignee our entire right, title, and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to and under said application (which term shall include hereinafter where the context so admits all divisional, continuing, reissue and other patent applications based thereon) and the inventions (which term shall include each and every such invention, or part thereof) therein described, and any and all patents and like rights of exclusion (including extensions thereof) of any country which may be granted on or for said inventions or on said application;

And for the same consideration We do also hereby sell, assign, and transfer unto the Assignee, all our rights under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, and all other treaties of like purpose in respect of said inventions and said application, and We do hereby authorize the Assignee to apply in our name or its own name or its designee for patents and like rights of exclusion on or for said inventions in all countries, claiming (if the Assignee so desires) the priority of the filing date of said application under the provisions of said Convention, Treaty or any such other Convention or Treaty;

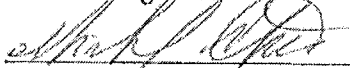

And for the same consideration, We do hereby agree for ourselves and for our heirs, executors, and administrators, promptly upon request of the Assignee to execute and deliver without further compensation any power of attorney, assignment, original, divisional, continuing, reissue or other application or applications for patent or patents or like rights of exclusion of any country, or other lawful documents and any further assurances that may be deemed necessary or desirable by the Assignee, fully to secure to it said right, title, and interest as aforesaid in and to said inventions, applications, and said several patents and like rights of exclusion (including extensions thereof) or any of them, all, however, at the expense of the Assignee, its successors, or assigns;

And We do hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America and the corresponding Official of each country foreign thereto to issue to the Assignee, any and all patents and like rights of exclusion which may be granted in any country upon said United States application on or for said inventions;

And We do hereby covenant for ourselves and our legal representatives and agree with the Assignee, that We have granted no right or license to make, use, or sell said inventions to anyone except the Assignee, that prior to the execution of this deed our right, title, and interest in and to said inventions has not been otherwise encumbered by us, and that We have not executed and will not execute any instruments in conflict herewith.
