ASSIGNMENT

WHEREAS, I, ELIZABETH ANN POYSS, residing at 20 Robin Hood Drive, Medford, New Jersey 08055 (hereinafter "Assignor") have collaborated with TODD J. NILSEN, residing at 51 Markwood Drive, Howell, New Jersey 07731 and ALISON LING, residing at 502 Vernon Court, Piscataway, New Jersey 08854, to invent a new and original TISSUE GRAFT RETAINER, for which United States Design Application No. 29/590,395 was filed on January 10, 2017.

WHEREAS, MUSCULOSKELETAL TRANSPLANT FOUNDATION, a not-for-profit corporation organized and existing under the laws of the District of Columbia and having a place of business at Edison Corporate Center, Suite 300, 125 May Street, Edison, New Jersey 08837, (hereinafter "Assignee") is desirous of acquiring all right, title and interest in and to said inventions, said patent application and any Patent that may be granted thereon or therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and sets over to said Assignee the entire right, title and interest in and for the United States of America and all other countries in and to said inventions and the aforesaid application, all related original, provisional, non-provisional, divisional, continuation, continuation-in-part, substitute, reissue, or International (PCT) applications and patents applied for or granted therefor or therefrom in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said application and/or applications resulting therefrom to said Assignee herein as assignee of the entire interest therein; and the undersigned for her and her legal representatives, heirs and assigns do hereby agree and covenant, without further remuneration, to execute and deliver all non-provisional, divisional, continuation, continuation-in-part, reissue, reexamination and other applications for patent on said inventions and all assignments thereof to said Assignee or its assigns, to communicate to said Assignee or its legal representatives all facts known to the undersigned respecting said inventions, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees in obtaining patent protection on said inventions in all countries, the expenses incident to said applications to be borne and paid by said Assignee.
