ASSIGNMENT

WHEREAS, Louis T. Wolfson and Alia M. Dia (aka Alia M. Wolfson), citizens of the United States of America, having an address at 8201 SW 149th Drive, Palmetto Bay, Florida 33158, hereinbelow called "Assignors," are the owners of all right, title and interest to the invention of which a U.S. Provisional Patent Application Serial No. 62/394,877 was filed on September 15, 2016, entitled "Container" and a U.S. Design Patent Application Serial No. 29/580,052 was filed on October 5, 2016, entitled "Container" (hereinafter collectively "Invention"); and

WHEREAS, Giveler LLC, a limited liability company organized and existing under and by virtue of the laws of the State of Florida and having offices and doing business at 8201 SW 149th Drive, Palmetto Bay, Florida 33158, and elsewhere, hereinbelow called "Assignee," is desirous of securing the entire right, title and interest in and to the said Invention in the United States, applications and Letters Patents, when granted, and in and to any non-provisionals, divisions, continuations, improvements, reissues or extensions that may be made or granted thereon.

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the sum of One Dollar (\$1.00) to the Assignors in hand paid by the said Assignee, and other good and valuable consideration, the receipt of all of which is hereby acknowledged, the said Assignors, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over unto the said Assignee, its successors and assigns, the entire right, title and interest throughout the United States in and to the said Invention, applications and Letters Patents, when granted, and in and to any non-provisionals, divisions, continuations, improvements, reissues or extensions that may be made or granted on any of them together with all claims for damages by reason of past infringement of said Letters Patent with the right to sue for, and collect, the same for its own use and behalf, and for the use and behalf of its successors, assigns or other legal representatives.

TO HAVE AND TO HOLD the same to the full end of the terms or terms for which said Letters Patents may be granted, as fully and completely as the same might be held by Assignors had this sale and assignment not been made.

For the consideration aforesaid, Assignors hereby covenant and agree to and with the said Assignee, its successors and assigns, that whenever its counselor representative, or the counsel or representative of its successors or assigns, shall advise that an amendment to, or a division of, or any other proceeding or action in connection with said application or Invention, is lawful and desirable, or that a reissue or continuation or extension of said Letters Patents is lawful and desirable, Assignors will sign all papers and drawings, take all rightful oaths and affidavits, and do all acts necessary or required to be done for the procurement of valid Letters Patents for said Invention, or for the reissue or continuation or extension of the same, and will do all acts necessary or required to secure to the said Assignee, its successors and assigns, the title to and full benefit of all rights hereby assigned, without charge to said Assignee or its successors or assigns, but at their expense.

AND the Commissioner of Patents is requested to issue the said Letters Patent, when granted, in accordance with the sale and assignment.

Assignors declare further that all statements made herein of his/her own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are

penishable by fine or imprisonment of not more than five (5) years, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
