PATENT ASSIGNMENT

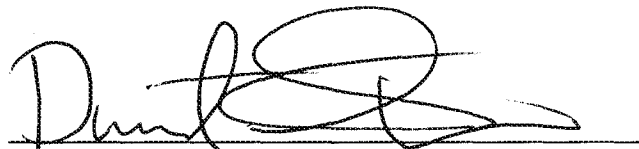

WHEREAS, I, **Daniel J. Stiltner**, a citizen of the United States, residing at 9410 Osprey Branch Trail, #7, Jacksonville, Florida 32257 have invented certain inventions and improvements disclosed in an application for Letters Patent entitled "**REMOTE VEHICLE PROGRAMMING SYSTEM AND METHOD**", executed by me on the 22nd day of December, 2010, and filed in the United States Patent and Trademark Office on December 23, 2010 with Serial No.: 12/977,830; and

WHEREAS, **Automotive Electronic Solutions, LLC**, a Limited Liability company of the State of Florida having a principal place of business at 11554 Davis Creek Court, Jacksonville, Florida 32256, is desirous of acquiring an interest in the same;

NOW, THEREFORE, for and in consideration of Five Dollars (\$5.00) and other good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I, by these presents do sell, assign and transfer unto **Automotive Electronic Solutions, LLC**, the full, exclusive and entire right, title, and interest in and to said application, in and to any divisions, continuations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States thereof; and I hereby request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, or reissue thereof, to **Automotive Electronic Solutions, LLC**, as the assignee, for its interest and for the sole use and benefit of **Automotive Electronic Solutions, LLC**, and its assigns and legal representatives;

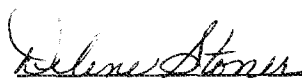

For the same consideration, I, by these presents do sell, assign, and transfer to **Automotive Electronic Solutions, LLC**, the full, exclusive, and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign application, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **Automotive Electronic Solutions, LLC**, or its designee insofar as permitted by applicable law.

AND, for the same consideration, I agree to sign all lawful papers, execute all division, continuing, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Automotive Electronic Solutions, LLC**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
