## ASSIGNMENT

WHEREAS, we, HUI LI and KARL RICHARD ENGLUND of 1630 NE Valley Rd., Apt. E101, Pullman, WA 99163, and 422 N. Hayes St., Moscow, ID 83843, have co-invented, with others, a certain invention as described in the following patent applications:

U.S. Provisional Patent Application No. 62/408,971 filed on October 17, 2016, claiming priority to U.S. Patent Application from 14/691,506, all entitled "RECYCLED COMPOSITE MATERIALS AND RELATED METHODS" wherein these applications are collectively referred to as "the patent applications."

WHEREAS, Washington State University, a university organized under the laws of the State of Washington, having a place of business at Lighty 280/286, P.O. Box 641060, Pullman, Washington 99164-1060, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, HUI LI and KARL RICHARD ENGLUND hereby sell, assign and transfer to Washington State University, our full and exclusive right, title and interest in and to said invention, patent applications and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, the patent applications and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Washington State University, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to Washington State University, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Washington State

University, its successors and assigns to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

We confirm that at the time the invention was made, we were under an obligation to assign the invention to Washington State University.

We hereby grant the law firm of Whitham, Curtis & Cook P.C., the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
