ASSIGNMENT

Whereas, We Brian Turk of San Clemente, CA and Michael Mang of Newton, MA, have invented "ENVIRONMENTALLY FRIENDLY COALESCING AGENTS" for which We have made application for Letters Patent of the United States; and

Whereas, MYRIANT CORPORATION, a Delaware Corporation, having a place of business at 2 Batterymarch Park, Suite 301, Quincy, MA 02169-4801 is desirous of acquiring an interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, We, by these presents do sell, assign and transfer and convey unto MYRIANT CORPORATION, its successors and assigns, the full and exclusive right, for the United States of America and its territorial possessions and for any and all foreign countries, in and to the said invention, described in the Patent Application filed concurrently herewith, and any divisional, continuing or reissue application based on the present application preparatory to obtaining Letters Patent of the United States therefore; described in the Patent Application serial number PCT/US12/30553 filed on March 26, 2012, said invention, application and any and all Letters Patent issuing therefor to be held and enjoyed by MYRIANT CORPORATION, for its own use and behoof, and for its legal representatives, successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us and had this assignment and sale not been made.

And We do further agree to sign all papers, make all rightful oaths and do all requisite acts for the filing of any disclaimer or for the filing and assignment of any divisional, continuing or reissue application or applications for patent based on the present application, as well as for any other U.S. or foreign application for patent which relates to the said invention.

And We do further agree to communicate to MYRIANT CORPORATION, its successors, assign or other legal representatives, such facts relating to the invention disclosed in the present application or Letters Patent issuing thereon as may be known to us, and to testify as to such facts in any interference or other litigation.
