PATENT ASSIGNMENT AGREEMENT

This Patent Assignment Agreement (the "Agreement") is signed on 1 August 2017 (the "Signing Date") by and between:

YANEX INTELLECTUAL PROPERTY LIMITED, a private company limited by shares duly organized and existing under the laws of Cyprus, registration number HE 302182 with registered office at 3 Themistokli Dervi, Julia House, Nicosia 1066, Cyprus (the "Assignor"), and

Nauchno-Proizvodstvennoe Predpriyatie MELITTA Limited Liability Company, a legal entity duly organized and existing under the laws of the Russian Federation, the Main State Registration Number (OGRN) 1037715021970, with registered office at 16/10 Miklukho-Maklaya street, Moscow 117997, Russia (the "Assignee"),

hereinafter individually referred to as a "Party" and jointly as the "Parties".

WHEREAS the Assignor has filed patent applications and/or obtained patents for an invention for air sterilizing in several jurisdictions, as listed in the attached Schedule (collectively, the "Patents"),

WHEREAS the Assignor and Assignee have entered into the Intellectual Property Assignment Agreement dated 15 June 2017.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. For good and valuable consideration, the receipt of which is hereby confirmed, the Assignor hereby fully transfers and assigns, irrevocably, with full title guarantee and with no encumbrances and limitations whatsoever, to the Assignee all rights (including the exclusive right and the right to seek and obtain patent protection), title and interest to the Patents and resulting from the Patents and the invention disclosed and claimed therein, including any priority rights, reissues, divisions, renewals, continuations in whole or in part, substitutions, conversions, reexaminations, prolongations, provisionals or extensions thereof in any country of the world, as well as rights to any and all existing causes of action and the right to past damages associated therewith, to the full end of the term or terms for which the Patents have been or may be granted, and the Assignee accepts such rights (including the exclusive rights and the right to seek and obtain patent protection), title and interest, under the terms of this Agreement (the "Assignment").
2. The Patents are listed in the attached Schedule which forms an integral part of the Agreement.
3. The Assignee accepts the entire property and all the rights resulting from the Patents. Accordingly, the Assignee is subrogated to all the above named rights and have use of same as the sole owner of said Patents without any restriction or reservation, from the Signing Date.
4. The Parties acknowledge that this assignment of the Patents has been made on the conditions agreed upon by the Parties and that such conditions have been fulfilled.
5. The Assignor warrants that, as at the Signing Date, the Assignor is the registered owner of or applicant for the Patents and has full power to enter into this Agreement.
6. The Assignment is made in connection with the Intellectual Property Assignment Agreement executed by and between the Assignee and the Assignor on 15 June 2017.
7. As soon as practicably possible upon the Signing Date, the Assignor shall take any and all actions required for recordal of the Assignment with patent offices in all respective jurisdictions, including payment of applicable recordal fees. The Assignee shall provide necessary assistance

to the Assignor for this purpose, including execution and delivery of all required documents, and shall compensate the Assignor for all charges and services for recording the assignment with the patent offices.

8. This Assignment may be signed by the Parties in one or more counterparts all of which will be deemed the same instrument.
