ASSIGNMENT

This Assignment, effective as of the date written herein below, is made by Huan C. Nguyen of Placentia, California; and Aaron O'Brien of Los Alamitos, California; Assignors, to Cordelia Lighting Inc., a California corporation, Assignee, having a place of business at 20101 South Santa Fe Avenue, Rancho Dominguez, California 90221.

WHEREAS, Assignors have invented a new and useful **HIDDEN MOUNTING SYSTEM FOR LUMINAIRE**, for which a provisional application was filed on July 26, 2016, and allocated Application No. 62/367,031 by the United States Patent Office; and a non-provisional application was filed on July 26, 2017, and allocated Application No. 15/660,923 by the United States Patent Office;

WHEREAS, Assignors believe themselves to be the original and first inventors of the invention and disclosed in said applications; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention, said applications, and any Letters Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign and transfer to Assignee, the entire right, title and interest in and to said invention, said applications, and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing said Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording or maintaining the title of

Assignee, its successors and assigns, to said invention, said applications, and any Letters Patent granted for said invention in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner for Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said applications or on any subsequently filed division, reexamined, continuation, continuation-in-part, or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignors have executed this Assignment on the date written herein below.

Assignors:

Date: 08/07/17

Date: 8/7/17

HUAN C. NGUYEN,

AARON O'BRIEN
