**WORLDWIDE ASSIGNMENT**

WHEREAS, I, the below named inventor, (hereinafter Assignor), have made invention(s) described in the following patent application(s):

**POWER CONVERTER WITH CIRCUITS FOR PROVIDING GATE DRIVING**

for which U.S. Provisional Application No. 62/360,315 was filed on July 8, 2016, and for which U.S. Patent Application No. 15/644,257 was filed on July 7, 2017, and for which later filed Patent Application No(s). \_\_\_\_\_ was/were filed on \_\_\_\_\_ (I hereby authorize the application numbers and filing dates to be inserted when known);

WHEREAS, VPT, Inc., a corporation of the Commonwealth of Virginia, whose address is 1971 Kraft Dr., Blacksburg, VA 24060, USA, (hereinafter Assignee), is desirous of securing the entire right, title, and interest in and to these inventions in all countries throughout the world, and in and to the above-identified patent applications and all national patent applications based on them or claiming benefit of or to them throughout the world, and any Letters Patent to be issued upon all applications based on these applications or claiming benefit of or to them throughout the world;

NOW THEREFORE, effective as of the earliest priority date claimed for each patent application, be it known that for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, I as Assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto Assignee, its lawful successors and assigns, the entire worldwide right, title, and interest in and to the above-referenced inventions and the above-referenced applications, and all Letters Patents of all countries throughout the world that might be granted thereon, and I hereby authorize and request all officials of all foreign countries whose duty it is to issue patents on applications as described above, to issue all Letters Patent for these inventions to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting these inventions, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that might be necessary or desirable to perfect the title to these inventions in Assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths, and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for these inventions in all countries, it being understood that any expense incident to the execution of such papers shall be borne by Assignee, its successors, and assigns.
