## ASSIGNMENT

WHEREAS, We,

1. Kevin Le of Richland Hills, TX
2. Thanh Le of Grand Prairie, TX

have invented certain improvements in:

### **SYSTEM AND METHOD FOR MULTIFUNCTIONAL MAGNETIC COUPLING JET**

for which we have executed and filed an application for Letters Patent of the United States of America, on March 20, 2015, and which was assigned Application No. 14/664,416; and

WHEREAS, we hereby authorize and request the attorneys of record to insert the application numbers and filing dates of said applications if this assignment is being filed after the applications have been filed; and

WHEREAS, Luraco Technologies, Inc. (Assignee), a corporation having its principal office and place of business in the State of Texas, is desirous of obtaining the entire right, title, and interest in, to and under the said inventions and the said applications in the United States of America and in any and all countries foreign thereto;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and other good and valuable consideration, we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said Assignee, its successors, legal representatives, and assigns, the entire right, title, and interest in, to and under the said invention, and the said application, and all divisional, renewal, substitutional, and continuing applications thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may be filed for said invention in any country or countries foreign to the United States of America, and all extensions, renewals, and reissues thereof, and all prior patents and patent applications from which a filing priority of the above-described patent application may be obtained, including the right to collect past damages; and we hereby authorize and request the Commissioner of Patents of the United States of America; and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to the said Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to said Assignee, its successors, legal representatives and assigns, any facts known to us respecting said invention, and testify in any

legal proceedings, sign all lawful papers, execute all divisional, renewal, substitutional, continuing, and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid the said Assignee, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in all countries.
