ASSIGNMENT OF DESIGN

WHEREAS, we, Jeremy Allan Cunningham of Castle Rock, CO and Dieter Austin Sliter of Littleton, CO, hereinafter called the *ASSIGNOR(s)* invented certain new, original, and ornamental design DISPLAY SYSTEM OR PORTION THEREOF WITH GRAPHICAL USER INTERFACE FOR INTERACTIVE PRESENTATION SYSTEM for which the *ASSIGNOR(s)* executed an application for a United States Design Patent and for which said design application for United States Design Patent was filed on January 21, 2016, under

Patent Application Serial No. 29/552, 204

Attorney Docket No. MPS 0005 DA/94508.7 ;

WHEREAS, the *ASSIGNOR(s)* hereby authorize and request the attorney(s) and/or agent(s) recording the present assignment, to insert above the filing date and application number of said application, when known;

WHEREAS, Maestro Presentations, LLC, a limited liability company of the State of Colorado, with a place of business at 8008 East Arapahoe court, Suite 200, Centennial, CO 80112, hereinafter called the *ASSIGNEE*, desires to acquire the entire right, title, and interest in and to said design application, all inventions disclosed therein, and any patent that may issue thereon;

AND, WHEREAS, it is the intent of the *ASSIGNOR(S)* to assign to the *ASSIGNEE* all rights to the above referenced application, including but not limited to all substantive rights, the (future) right to claim priority, the right to be granted a patent in the United States from the above referenced design application, and the right to be granted additional patents or registrations anywhere in the world from applications claiming priority to the above referenced design application;

NOW, THEREFORE, in consideration of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable consideration, *ASSIGNOR(S)* hereby sell, assign, and transfer to said *ASSIGNEE*, its successors, and its assigns, the entire right, title, and interest—including the right to sue for past infringement, if any, and the (future) right to claim priority—in and to said design application, any and all inventions disclosed in said design application, any and all improvements made to said inventions, any and all applications (including divisions and continuations) anywhere in the world claiming priority to said design application, and any and all patents or registrations that may be granted anywhere in the world on said design application or on any application (including divisions and continuations) claiming priority to said design application, including any and all substitutions, renewals, re-examinations, extensions, and reissues of such patents.

ASSIGNOR(S) hereby authorize and request the Patent Office officials in the United States and its territorial possessions, and in any and all foreign countries, to issue, when granted, any and all Letters Patents on said design application, or on any application claiming priority to said design application, including any and all substitutions, renewals, re-examinations, extensions, and reissues, to said *ASSIGNEE* as the assignee of the entire right, title, and interest
