PATENT AND INVENTION ASSIGNMENT

WHEREAS, the undersigned:

Kevin T. May, a citizen of the United States of America, residing at
512 Earlvine Way, Kennesaw, Georgia 30152, and

Kelly Ziegler, a citizen of the United States of America, residing at
21479 Rabbit Lake Drive, Crosby, Minnesota 56441,

(hereinafter referred to as "**Assignors**") has invented certain inventions and improvements disclosed in a non-provisional application for Letters Patent entitled **APPARATUS AND METHOD FOR FORMING A CARTON**, which application was filed in the United States Patent and Trademark Office on August 20, 2012, and assigned Patent Application No. 13/589,485;

WHEREAS, it is agreed that **GRAPHIC PACKAGING INTERNATIONAL, INC.**, a Corporation of the State of Delaware having its principal place of business at 814 Livingston Court, Marietta, Georgia 30067, is entitled to or is desirous of acquiring all right, title and interest related to the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **Assignors**, by these presents, do sell, assign and transfer unto **Graphic Packaging International, Inc.**, the full, exclusive and entire right, title and interest, worldwide: (i) in and to all inventions and improvements disclosed and described in said provisional application, (ii) in and to said provisional application, (iii) in and to any non-provisional patent applications, including but not limited all divisional, continuation, and continuation-in-part applications of such non-provisional applications, filed or which are hereafter filed in the United States describing in whole or in part the said inventions and improvements, preparatory to obtaining Patents of the United States therefore, (iv) in and to all patents of the United States which may be granted on the foregoing and all reissues and extensions thereof and (v) in and to the right to claim any applicable foreign and domestic priority rights arising from any of the afore-mentioned patent applications; and **Assignors** hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from such non-provisional patent applications, or from a division, continuation, continuation-in-part, or reissue thereof, to **Graphic Packaging International, Inc.** as Assignee, for the interest and for the sole use and behoof of **Graphic Packaging International, Inc.** and its assigns and legal representatives.

For the same consideration, **Assignors**, by these presents do sell, assign and transfer to **Graphic Packaging International, Inc.** the full, exclusive and entire right, title and interest: in and to any and all applications for industrial property protection, including without limitation, all applications for patents, utility models, inventors' certificates and designs, (the "Foreign Applications") filed or which are

hereafter filed in countries foreign to the United States and describing in whole or in part the said inventions and improvements, in and to any Patents and similar protective rights granted on said Foreign Applications, and in and to the right to file such applications and the right to claim any applicable priority rights arising from or required for said Foreign Applications under the terms of any applicable conventions, treaties, statutes, or regulations; said Foreign Applications to be filed and issued in the name of **Graphic Packaging International, Inc.** or its respective designees, insofar as permitted by applicable law;

AND, for the same consideration, **Assignors** agree to communicate to the said **Graphic Packaging International, Inc.**, its successors, legal representatives and assigns, any facts known to **Assignors** respecting said invention, sign all lawful papers, execute all provisional, non-provisional, divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Graphic Packaging International, Inc.**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world; and

Assignors covenant with Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned.
