ASSIGNMENT

WHEREAS, Giuseppe Ateniese, 1450 Garden St., Apt. N503, Hoboken, New Jersey 07030, ("Assignor"), made with others the inventions described in the patent applications listed in **Schedule A** attached hereto;

WHEREAS, GSC Secrypt, LLC, a limited liability company duly organized under and pursuant to the laws of New Jersey as a judicial person, and having a place of business at, 1450 Garden St., Apt. N503, Hoboken, New Jersey 07030, ("Assignee"), desires to acquire Assignor's entire right, title and interest in the inventions and the patent applications identified in **Schedule A**, and to all divisions, continuations and continuations-in-part of any such patent applications, or reissues, reexaminations, renewals and extensions of any such Letters Patent or Patents, which may be obtained in any country for the inventions, as set forth below;

NOW, THEREFORE, in consideration of valuable and legally sufficient consideration, the receipt of which by Assignor from Assignee is acknowledged, Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to Assignee, Assignor's entire right, title and interest in the inventions and the patent applications identified above, and any patents that may issue for the invention in the United States and countries foreign to the United States; with Assignor's entire right, title and interest in the invention and all patent applications and patents issuing therefrom in all countries, including the full right to claim for any such application all benefits and priority rights under any applicable convention; with Assignor's entire right, title and interest in all divisions, continuations and continuations-in-part of any such patent applications, or reissues, reexaminations, renewals and extensions of any such patent applications and patents; with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have hold for the sole and exclusive use and benefit of Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

Assignor covenants and agrees, for both Assignor and Assignor's legal representatives, that Assignor will assist Assignee in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that Assignee may elect to make covering the invention identified above; in vesting in Assignee exclusive title in all such other patent applications and patents; and in the prosecution of any interference which may arise involving the invention, or any such patent application or patent; and that Assignor will execute and deliver to Assignee all additional papers which may be requested by Assignee to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks is authorized and requested to issue patents to Assignee under the terms of this Assignment.

IN TESTIMONY WHEREOF, Assignor has executed this agreement.
