ASSIGNMENT

In consideration of revised agreements between the Assignor and Assignee, the receipt of which is hereby acknowledged, I, the undersigned, Halbert P. Fischel, of 136 North Ring Dove Drive, Las Vegas, NV 89144-4323, hereby sell, assign and transfer to Global Energy Science, LLC, a California LLC, having a place of business at 2418 Calle Montilla, Santa Barbara, CA 93109, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the following application for United States Letters Patent:

Serial No.: 15/408,940

Filing Date: January 18, 2017

Title: ELECTROCHEMICAL CELLS WITH MOBILE ELECTROLYTE

Inventor: Halbert P. Fischel

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
