China P.R.C. 510990

AGREEMENT

WHEREAS, ASSIGNOR (listed above) is a joint inventor of an invention entitled "ADVANCE FEED DISPENSER" for which:

a non-provisional (National Phase) application for United States Letters Patent was filed on May 7, 2014, based on an International PCT application filed December 12, 2011, and was given U.S. Serial No. 14/356,871; which non-provisional application issued as US Patent No. 9,386,840 on July 12, 2016;

WHEREAS, Guangzhou Complacent Industrial Co. Ltd. (hereinafter referred to as ASSIGNEE), a corporation of the Peoples Republic of China, having a place of business at 8 Fengying Rd, Taiping Ind. Zone, Conghua City, Guangzhou, Guangdong, China P.R.C. 510990, is desirous of acquiring the entire right, title and interest in and to the invention and in and to any and all letters patent that have been granted or that may be granted therefore in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration comprising the entire right, title and interest in and to US Patent No. 9,723,907 titled REFILLABLE LIPSTICK WITH RETRACTABLE SLEEVE, the receipt of which is hereby acknowledged, ASSIGNOR hereby sells, assigns and transfers unto ASSIGNEE, the entire right, title and interest in and to said invention, said application and any and all letters patent which have been granted and which may be granted for said invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said invention, application and all letters patent on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment, transfer and sale not been made. ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks to issue all letters patent on said invention to ASSIGNEE. ASSIGNOR agrees to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent on said invention, for litigation regarding said letters patent, or for the purpose of protecting title to said invention or letters patent therefore.
