ASSIGNMENT

WHEREAS, Mike FILIPOVICH, Konstantinos VOYIATZIS, Steve MORRIS, John FORNER, and Paul NORDIN, respectively (hereinafter referred to jointly as ASSIGNORS) have invented certain new and useful improvements as stated in the Letters Patent of the United States of America No. 8,333,469 issued on December 18, 2012; did previously assign their rights jointly to OPTIFACTS, INC. (50%) and ESSILOR INTERNATIONAL (COMPAGNIE GENERALE D'OPTIQUE) (50%) in an agreement executed individually by the ASSIGNORS on May 01, 2008; May 10, 2008; April 30, 2008; April 28, 2008; and May 01, 2008, respectively (hereinafter referred to as the AGREEMENT);

HEREBY state that, should the previous AGREEMENT or any part thereof have been executed in error, and therefore be ruled as invalid, and thereby rights to the above-identified Letters Patent continue to reside solely or partially with the ASSIGNORS,

THE ASSIGNORS, after good and valuable consideration, the receipt of which is hereby confirmed, by these presents do sell, assign, and transfer to OPTICAL LABS SOFTWARE SOLUTIONS, INC. (dba OPTIFACTS, INC.) of 13515 N. Stemmons FWY, Dallas, Texas 75234, a corporation organized and existing under the laws of the Country of the United States of America (hereinafter referred to as "ASSIGNEE"), the entire right, title and interest for the territory of the United States of America, in and to the aforesaid Letters Patent and the invention described therein, and any reissue or reissues of said Letters Patent to the full end of the term for which said Letters Patent have been granted or reissues may be granted, said invention and Letters Patent to be held and enjoyed solely by the ASSIGNEE for the

use and behoof of said ASSIGNEE, and for the use and behoof of their successors,
assigns or other legal representatives, and for claims for damage by reason of
infringement past and present, as fully and entirely as the same would have been held
by us had this Assignment and sale not been made.
