Assignment of Serial No. 12/043,720**ASSIGNMENT**

WHEREAS, G. Robert Whiteman, hereinafter called the "Assignors", have made the invention described in the United States utility patent application entitled APPARATUS FOR TREATING WASTEWATER, Serial Number 12/043,720, filed on March 6, 2008;

WHEREAS, Advanced Biological Services, Inc., a corporation organized and existing under the laws of the State of Florida, having a place of business at 1883 Inlet Cove Court Fleming Island, Florida, 32003 USA, hereinafter called the "Assignee", desires to acquire the entire right, title and interest in and to the inventions and the patent applications identified above, and all patents which may be obtained for said inventions, as set forth below;

NOW, THEREFORE, in consideration of mutual promises and other valuable and legally sufficient consideration, the receipt of which by the Assignors from the Assignee is hereby acknowledged, the Assignors have sold, assigned and transferred, and by these presents do sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the inventions and the patent applications identified above, and any patents that may issue for said inventions in the United States; together with the entire right, title and interest in and to said inventions and all patent applications and patents therefore in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole
