ASSIGNMENT

WHEREAS, we, Stephen E. Paxton and Lisa M. Lugo-Paxton, individuals residing in or around Brainerd, Minnesota, have invented certain new and useful improvements for Dog Boots and Canine Wound Boots, which are the subjects of United States Patent Application Nos.:

- 10/980,085 that issued as U.S. Patent No. 7,971,557;
- 13/176,722 that issued as U.S. Patent No. 9,485,962;
- 15/359,502 that issued as U.S. Patent No. 9,629,336;
- 12/719,847 that issued as U.S. Patent No. 8,113,152;
- 13/296,595 that issued as U.S. Patent No. 9,497,932; and,
- Any related U.S. Patent applications (collectively, the "Inventions").

WHEREAS, Ultra Paws, LLC ("Assignee"), a business entity organized and existing under the laws of the State of Minnesota is desirous of acquiring the entire right, title, and interest in and to said Inventions, said patent applications and in, to and under any and all additional Letters Patent to be obtained therefrom or related thereto;

NOW, THEREFORE, for good and valuable consideration to us in hand of at least \$1.00 paid by said Assignee, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors and assigns, our entire right, title and interest in and to said Inventions, said applications, all applications claiming priority to said applications and any Letters Patent issuing therefrom, including all utility conversions, all divisions, continuations, or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue, therefrom including all reissues or extensions of such patents including all of our rights under the International Convention.

We authorize said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all domestic and foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

We do hereby covenant and agree with the said Assignee, its successors and assigns, that we will not execute in writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said

Inventions, and in enforcing any rights occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

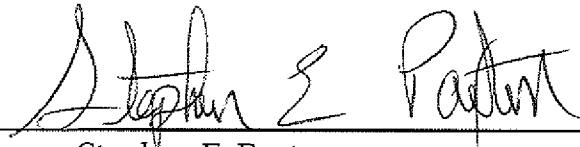

IN WITNESS WHEREOF, We have signed and made effective as dated below.
