### ASSIGNMENT OF US PATENT APPLICATION

The undersigned (hereinafter collectively referred to as the Assignor), in consideration of the sum of one US dollar (\$ 1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby sell, assign, and transfer to:

**Fraunhofer-Gesellschaft zur Foerderung der angewandten Forschung e.V.**

(hereinafter referred to as the Assignee), of

**Hansastrasse 27c  
Munich 80686  
Germany**

my entire right, title and interest for the United States of America, including its territories and possessions, in all inventions described in the document(s) entitled:

#### ANTI-PARASITIC COMPLEXES

for which the following patent application was filed on February 27, 2017:

United States Patent Application No. 15/507,173, and

for any and all patent applications claiming priority thereto including any and all continuation, divisional, and continuation-in-part applications; the right, title and interest to be held and enjoyed by the Assignee for his own use, and for his own legal representatives and assigns, for the full term for which any and all patents are granted.

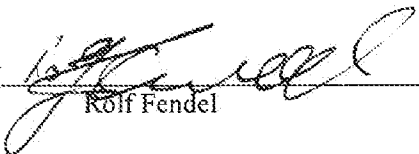

The Assignor hereby agrees to execute all papers necessary in connection with the filing and prosecution of any and all patent application(s) (including continuation, divisional and continuation-in-part applications) claiming priority to said United States Patent Application including but not limited to any declaration of inventorship, and also agrees to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The Assignor hereby represents to have full right to convey the interest herein assigned, and has not executed, and will not execute, any agreement in conflict therewith.

The Assignor hereby grants the Practitioners associated with United States Patent and Trademark Office (USPTO) Customer Number 59538 power to insert in this

assignment any further identification that may be necessary or desirable in order to comply with the rules of the USPTO for recordation of this document.
