Thomas J. Fournier

ASSIGNMENT

WHEREAS, Thomas J. Fournier, Lothar Geilen, and Brian J. Herron residing at 13500 N. Kachina Drive Tucson, Arizona 85755, 1834 NW 124th Way Coral Springs, FL 33071 and 4006 Lake Vista Drive Dexter, MI 48130 (hereinafter referred to as Assignors), have invented certain new and useful improvements in **SYSTEM AND METHOD FOR IDENTIFICATION OF TRANSPORT VEHICLES AND DRIVERS**, for which provisional applications for United States Letters Patent were filed on December 3, 2015 and December 21, 2015 and assigned Serial Nos. 62/262,733 and 62/270,378, respectively, and for which a nonprovisional application for United States Letters Patent was executed on even date herewith.

WHEREAS, Opus Inspection, Inc., a corporation of the state of Connecticut, having a place of business at 7 Kripes Road East Granby, Connecticut 06026 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefore in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable considerations, Assignors hereby sell, assign and transfer unto said Assignee the full and exclusive right, title and interest to the said invention in the United States and in all foreign countries and the entire right, title and interest in and to any and all Letters Patent which may be granted therefore in the United States and in any and all foreign countries and in and to any and all divisions, reissues, continuations, continuation-in-part, and extensions thereof including the full right to claim for any such applications the benefits of the International Convention.

Assignors hereby authorize and request the Patent Office Officials in the United States and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Assignee as the owner of the entire right, title and interest in and to the same, for the sole use and behoof of said Assignee, its successors and assigns.

FURTHER, Assignors agree to communicate to said Assignee or its representatives any facts known to Assignors respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitution, renewal, and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths and generally do everything possible to aid said Assignee, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, we have hereunto set our signature on the date appearing next to it.
