**ASSIGNMENT BY INVENTOR(S) OF PATENT APPLICATION
FOR ALL COUNTRIES**

FOR VALUE RECEIVED, I

Ronald Kurz, residing at Newport News, VA,

hereby sell, assign, transfer, and convey unto

Canon U.S. Life Sciences, Inc., a corporation of Delaware having a place of business at 9800 Medical Center Drive, Rockville, MD 20850

(hereinafter called the "Assignee"), its successors, assigns, and legal representatives, the entire right, title, and interest, for all countries, in and to certain inventions relating to

Cleaning Station Assembly (Attorney Docket No.: 3400-284)

for which application for Letters Patent of the United States ASSIGNORS is/are the sole or a joint inventor and which application was executed on even date herewith or is identified as follows:

U.S. Serial No.29/509,087, Filing Date: November 13, 2014

and all Letters Patent of the United States to be obtained on said application or any continuation, division, reissue, reexamination or extension thereof and all rights connected therewith, and all applications for Letters Patent which may hereafter be filed for said invention in any country or countries foreign to the United States, and all Letters Patent which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof and all rights of priority in any such country or countries based upon the filing of the said application for Letters Patent of the United States which are created by any law, treaty or international convention, for the full term or terms for which the same may be granted, including all rights to recover damages for any and all past infringement; and

ASSIGNORS agree to execute all papers necessary in connection with said application and any continuing, divisional, reissue or reexamination applications thereof and to execute separate assignments in connection with such applications as ASSIGNEE may deem necessary.

ASSIGNORS agree to execute all papers necessary in connection with any interference, litigation, or other legal proceeding which may be declared concerning this application or any continuation, division, reissue or re-examination thereof or Letters

Patent, reissue patent or reexamination certificate issued thereon and to cooperate with ASSIGNEE in every way possible in obtaining and producing evidence and proceeding with such interference, litigation, or other legal proceeding.

ASSIGNORS hereby authorize attorneys of record for the application to fill in the application number and filing date in the spaces provided above.

ASSIGNORS covenant that he/she has the full right to convey the entire interest herein assigned and has not executed, and will not execute, any agreement in conflict herewith.

ASSIGNORS acknowledge that ASSIGNEE may appoint any attorney or practitioner of ASSIGNEE'S choice to prosecute any application or other legal proceeding involving said invention and ASSIGNORS further acknowledge(s) that any attorney or practitioner so appointed by ASSIGNEE does not represent ASSIGNORS and that such appointment by ASSIGNEE does not create any attorney-client relationship between ASSIGNORS and any attorney or practitioner appointed by ASSIGNEE.

IN WITNESS WHEREOF, ASSIGNORS have affixed his/her signature below.
