ASSIGNMENT

IN CONSIDERATION OF TEN DOLLARS (\$10.00) and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, Augusto Florindez, ("ASSIGNOR"), being an inventor and having made an invention in Apparatus, System and Process for Making a Bakery Product while in association with Stewart Systems Baking, LLC, a company organized and existing under the laws of the State of Texas, with a mailing address of 808 Stewart Avenue, Plano, TX 75074 (sometimes hereinafter called "ASSIGNEE"), do hereby ASSIGN, SELL and CONVEY to said ASSIGNEE, its successors and assigns, the entire right, title and interest throughout the world in and to:

1. Said invention in Apparatus, System and Process for Making a Bakery Product;
2. United States of America non-provisional patent application on said invention, filed as U.S. Patent Application Serial No. 13/938,492 on July 10, 2013 (Attorney's File No. 79123.6004), entitled Apparatus, System and Process for Making a Bakery Product; United States of America non-provisional patent application on said invention, filed as U.S. Patent Application Serial No. 15/688,220 on August 28, 2017 (Attorney's File No. 79123.6006), entitled Apparatus, System and Process for Making a Bakery Product;
3. All applications for patent or like protection on said invention that have now been or may in the future be made by me or my legal representatives, including any non-provisional, divisional, continuation, continuation-in-part and any other utility applications that may be based on this invention, whether in the United States of America or any other place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said invention to me or my legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitations, those

obtained or permissible under past, present and future law and statutes;

6. All rights of action on account of past, present and future unauthorized use of said invention for infringement of said patents and like protection;
7. The right to ASSIGNEE to file in its name applications for patents and like protection for said invention in the United States and in any country or countries foreign to the United States; and
8. All international rights of priority associated with said invention, applications, patents and like protection;

and I covenant that me, my heirs, legal representatives, assigns, administrators, and executors will at the expense of ASSIGNEE, its successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give ASSIGNEE, its successors and assigns, the full benefit of this Assignment.
