ASSIGNMENT

WHEREAS, we, below named, listed and undersigned inventors,

Co-Inventor: Amaani Munshi, a citizen of the United States of America, residing at 17307 Rolling Brook, Sugar Land, TX 77479, United States of America, and

Co-Inventor: Imtiaz Munshi, a citizen of the United States of America, residing at 17307 Rolling Brook, Sugar Land, TX 77479, United States of America

have invented certain new and useful improvements in a "System and Method of Efficiently Generating and Transmitting Encrypted Documents", for which an application for Letters Patent in the United States has been filed on March 18, 2016, and has been assigned Serial No. 15/074,988, and for which a Patent Cooperation Treaty Application, of the same title, has been filed on March 18, 2016 and has been assigned application number PCT/US16/23291, both of which call priority to United States Provisional Patent Application Number 62/266,031, entitled "Method of Transmission of Encrypted Documents" and filed on December 11, 2015, and United States Provisional Patent Application Number 62/135,120, of the same title and filed on March 18, 2015.

United States Patent Application Number 15/074,988 is also a continuation-in-part application of United States Patent Application Number 14/327,413, entitled "Method of Transmission of Encrypted Documents", filed on July 9, 2014, and issued as United States Patent Number 9,596,219 on March 14, 2017, which is a continuation application of United States Patent Application Number 13/088,414, entitled "Method of Transmission of Encrypted Documents From An Email Application", filed on April 17, 2011, and issued on August 12, 2014 as United States Patent Number 8,806,190, which, in turn, relies on United States Provisional Patent Application Number 61/325,792, entitled "System and Method for Enabling an Improved Workflow for the Transmission of Encrypted Documents from an Email Application" and filed on April 19, 2010, for priority (collectively all applications are referred to as "Applications"):

AND WHEREAS, Amaani, LLC, (hereinafter "ASSIGNEE"), a corporation, with its principal place of business at 17307 Rolling Brook Sugar Land, TX 77479, desires to acquire the entire right, title, and interest in and to the said Applications:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we, the said inventors, do hereby acknowledge that we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title, and interest throughout the world in, to and under the said Applications, and all provisional applications relating thereto, and all divisions, renewals and continuations or continuations-in-part thereof, and all Letters Patent of the United States which may be granted thereon and all reissues, reexaminations, and extensions thereof, and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said Applications in any country or countries foreign to the United States, and all Letters Patent which may be granted for said Applications in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and we hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said Applications to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant and agree that we will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said Applications, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reexamination, and reissue applications, make all rightful oaths and declarations and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said Applications in all countries.
