ASSIGNMENT

WHEREAS, Galapagos NV ("Assignee"), a Belgian company with registered address at Generaal De Wittelaan L11/A3, 2800 Mechelen, Belgium and AbbVie Ireland Unlimited Co. (successor in interest to AbbVie Bahamas Ltd.) and its affiliates signatory hereto (collectively, "Assignor") have jointly developed certain new and useful Inventions ("the Inventions") and Assignee and Assignor have an equal and undivided interest in and to those Inventions and the Patent Applications claiming such Inventions ("the Patent Applications") as listed in Annex A.

WHEREAS, Assignee is desirous of acquiring all ownership right, title and interest in and to the Inventions and the Patent Applications from Assignor.

NOW, THEREFORE, to all whom it may concern be it known that WE Assignor having received good and valuable consideration the sufficiency of which is acknowledged, hereby assign and transfer to Assignee all ownership right, title and interest in and to the Inventions and the Patent Applications, and to any priority rights for all territories of the world in respect of the Inventions and the Patent Applications and in and to any patent application that may be filed in any and all territories of the world relating to the Inventions and the Patent Applications, and in and to any divisional application, continuation or continuation in part application thereof, and in and to any extension, or re-issue thereof, or Supplementary Protection Certificate based thereon, and including the right to sue for past infringement; and Assignor hereby requests any patent arising therefrom in any territory of the world be issued to Assignee.

AND Assignee hereby accepts the assignment and transfer of all ownership right, title and interest in and to the Inventions and the Patent Applications as stated above.

AND Assignor further covenants and agrees that it will, upon Assignee's reasonable request and at Assignee's expense, execute any additional papers that may be necessary to enable Assignee or its representatives, successors, nominees, or assigns to secure full and complete protection for said Inventions and Patent Applications or that may be necessary to vest in Assignee the complete title to said Inventions and Patent Applications.

IN WITNESS WHEREOF and with effect from 25 September 2015, Assignee and Assignor have caused this Assignment to be executed by their duly authorized representatives.
