ASSIGNMENT

WHEREAS, VANTIV LLC (hereinafter "ASSIGNOR"), a limited liability company duly organized and existing under the laws of Delaware, and SIGHTLINE INTERACTIVE LLC (hereinafter "ASSIGNEE"), a limited liability company duly organized and existing under the laws of Nevada, are co-owners in certain inventions for which applications for Letters Patent have been executed, which are identified in Exhibit A attached hereto (herein referred to as the "Inventions");

WHEREAS, ASSIGNEE and ASSIGNOR have entered into a Patent Application Management Agreement dated September 5, 2013 (the "PAMA");

WHEREAS, ASSIGNEE is desirous of acquiring the entire interest in the Inventions pursuant to Section 9 of the PAMA; and

WHEREAS, ASSIGNOR is desirous of assigning to ASSIGNEE its ownership rights in the Inventions pursuant to Section 9 of the PAMA.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR hereby sells, assigns, transfers and sets over, unto said ASSIGNEE, its successors, legal representatives and assigns, its entire right, title and interest in, to and under said Inventions, and all United States patent applications thereon and all parents, provisionals, non-provisionals, divisions, renewals, continuations, and continuations-in-part thereof which have been or may hereafter be filed, and all patents of the United States which have been or may be granted thereon and all reissues, reexaminations and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may heretofore or hereafter be filed for said Inventions in any country or countries foreign to the United States, together with the right to file such applications and claim priority to other heretofore or hereafter filed applications for said inventions under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application has been or is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models and designs which have been or may be granted for said Inventions in any country or countries foreign to the United States and all extensions, renewals, reexaminations and reissues thereof.

ASSIGNOR HEREBY authorizes and requests the Director of the United States Patent and Trademark Office, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

IN TESTIMONY WHEREOF, ASSIGNOR has caused this assignment to be executed effective as of this 15th day of August, 2014.
