ASSIGNMENT

WHEREAS Guangshe PAN, whose mailing address is 3579 Madeira Ct., Brea, CA 92823, USA, hereinafter referred to as the Assignor,

did obtain a United States Design Patent for Personal Blender Chamber, US patent number D767,334, issued on September 27, 2016, hereinafter referred to as the DESIGN patent; and WHEREAS, the Assignor is the sole owner of said DESIGN patent;

AND WHEREAS Weighmax Group of California, US, whose mailing address is 17011 Green Dr. Unit B, City of Industry, California 91745, US, hereinafter referred to as the Assignee,

is desirous of acquiring the entire right, title and interest in and to said United States DESIGN Patent in the United States;;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, receipt of which is hereby acknowledged, Assignor do hereby confirm that Assignor have sold, assigned and transferred, and do hereby sell, assign and transfer to Assignee the full and exclusive right to said United States DESIGN Patent in the United States, together with their entire right, title and interest in and to said United States DESIGN Patent;

ALSO, Assignor hereby agree to execute any documents that legally may be required in connection with the prosecution and maintenance of said United States DESIGN Patent in the United States, including additional documents that may be required to affirm the rights of Assignee in and to said United States DESIGN Patent, all without further consideration. Assignor also agree, without further consideration and at Assignee's expense, to identify and communicate to Assignee at Assignee's request documents and information concerning said United States DESIGN Patent that are within Assignor's possession or control, and to provide further assurances and testimony on behalf of Assignee that lawfully may be required of Assignor in respect of the prosecution, maintenance and defense of said DESIGN patent. Assignor's obligations under this Assignment shall extend to Assignor's heirs, executors, administrators and other legal representatives.

ALSO, Assignor hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States DESIGN Patent to Assignee, as the Assignee of the entire right, title and interest in and to the same, for Assignee's sole use and behoof; and for the use and behoof of Assignee's legal representatives and successors, to the full end of the term for which said United States DESIGN Patent was granted, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made.
