ASSIGNMENT

WHEREAS, I, Paul Tumpowsky, residing at 25 East 63rd Street, Suite 6, New York, NY 10065 have invented certain new and useful improvements in Melanin Compositions and Devices for Protecting Tissues from Radiation Damage for which I have filed an application for Letters Patent of the United States on May 2, 2017 under Serial No. 15/584,179; and

WHEREAS, Goodwin & Wells LLC organized under the laws of Delaware, is desirous of obtaining the entire right, title, and interest in, to and under the said improvements and the said application;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto Goodwin & Wells LLC, its successors, legal representatives, and assigns the entire right, title, and interest in, to and under the improvements, and the application and all divisions, renewals, and continuations thereof, and all Letters Patents of the United States which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patents which may hereafter be filed for the improvements in any country or countries foreign to the United States, and all Letters Patents which may be granted for the improvements in any country or countries foreign to the United States and all extensions, renewals, and reissues thereof; and I hereby authorize and request the Commissioner of Patents of the United States and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvement to Goodwin & Wells LLC, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to Goodwin & Wells LLC, its successors, legal representatives and assigns, any facts known to me respecting the improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional,

continuing and reissue applications, make all rightful oaths, and generally do everything possible to aid Goodwin & Wells LLC its successors, legal representatives and assigns to obtain and enforce proper patent protection for the improvements in all countries.

AND I HEREBY further assign and transfer to Goodwin & Wells LLC all priority rights derived from such application therefore by virtue of the International Convention for the Protection of Industrial Property for any and all member countries of the aforesaid International convention and I do hereby assign and transfer to Goodwin & Wells LLC the sole right to file further applications for patents under the patent laws of any country of the world based on any improvements disclosed in said application as fully and entirely as the same would have been held by me had this assignment not been made.

IN TESTIMONY WHEREOF, I hereunto set my hand the day and year set opposite my respective signature.

Date: 9/5/2017

Paul Tumpowsky
