ASSIGNMENT

WHEREAS, I, Catherine P. ABEE, residing at 3052 Pitchfork Drive, McKees Rocks, Pennsylvania 15136, have invented new and useful improvements in METHOD AND PULSE OXIMETER APPARATUS USING CHEMICAL HEATING (hereinafter referred to as the Invention) for which I filed a divisional application in the United States Patent and Trademark Office for Letters Patent of the United States of America on September 7, 2017, which was accorded Serial No. 15/698,370; and

WHEREAS, the conditions under which the Invention was made, namely (i) that the Invention is directly related to the duties of my Government employment which I had at the time I made the Invention, and (ii) Government funds and facilities were used to make the Invention, are such as to entitle the Government, pursuant to the provisions of Executive Order 10096, January 28, 1950, as amended by Executive Order 10930, March 24, 1961, and applicable regulations, including 37 CFR Part 101 and 37 CFR Part 501, to the entire right, title and interest in and to the Invention, including foreign rights; and

WHEREAS, the Government, as represented by the U.S. Department of Veterans Affairs, is desirous of acquiring the entire right, title and interest in the Invention, throughout the world, and all of my interests in said application and in any and all Letters Patent of the United States that may issue thereon;

NOW, THEREFORE, in consideration of these premises, including my employment by the said Government, I, Catherine P. ABEE, do hereby sell, assign, and transfer unto The United States of America, as represented by the U.S. Department of Veterans Affairs, my entire right, title, and interest throughout the world in and to said application and in and to the Invention as described and/or claimed in said application, and in and to any Letters Patent that may issue on said application or on any application that is a division, reissue, continuation, substitution, renewal, continuations-in-part, non-provisional, international/PCT, and extension thereof.

I, Catherine P. ABEE, do hereby agree that the Government will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, the Invention and said Letters Patent and legal equivalents in foreign countries as may be known and accessible to me, that I will testify as to the same in any interference or litigation related thereto, and that I will promptly execute and deliver to the Government or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, the Invention and said Letters Patent and said equivalents thereof in any foreign country which may be necessary or desirable to carry out the purpose thereof, provided, that all proper expenses arising through extending such assistance will be paid by the Government if I am not employed by the Government at the time the assistance is extended.

I, Catherine P. ABEE, hereby warrant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

I hereby authorize and request my attorney, Dinesh Agarwal, of Law Office - Dinesh Agarwal, P.C., of 5350 Shawnee Road, Suite 330, Alexandria, Virginia 22312, to insert here in parentheses, and elsewhere, as needed (Application No. 15/698,370, filed Sept. 7, 2017) the filing date and application number of said application when known.
