ASSIGNMENT

Benjamin M. Hanson, residing at 221 Elm Street, Lennox, South Dakota 57039, U.S.A., a citizen of the United States of America (hereafter the undersigned) is an inventor of

**INDUCTOR HAVING HIGH CURRENT COIL WITH LOW DIRECT
CURRENT RESISTANCE**

for which the undersigned executed an application for United States Letters Patent, U.S. Patent Application No. 15/692,134, filed August 31, 2017.

The undersigned hereby authorizes assignee or assignee's representative to insert the Application Number and the Filing Date of this application if they are unknown at the time of execution of this assignment.

VISHAY DALE ELECTRONICS, LLC, a corporation having a place of business at 1122 23rd Street, Columbus, Nebraska 68601, U.S.A. (hereafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in said invention, all applications for and all letters patent issued on said invention.

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, intending to be legally bound, do hereby sell, assign and transfer to the assignee and assignee's successors, assigns and legal representatives the entire right, title and interest, legal and equitable, in said invention and all patent applications thereon, including, but not limited to, the application for United States Letters Patent entitled as above, and all divisions and continuations thereof, and in all letters patent, including all reissues and reexaminations thereof, throughout the world, including the right to claim priority under the Paris Convention or other treaty.

It is agreed that the undersigned shall be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all

instruments proper to patent the invention throughout the world for the benefit of the assignee, and to execute all instruments proper to carry out the intent of this instrument.

The undersigned warrant that the rights and property herein conveyed are free and clear of any encumbrance.
