ASSIGNMENT

WHEREAS, I/We, Michele Sama, resident of London, United Kingdom, Arseni Anisimovich, resident of London, United Kingdom, Tim Porter, resident of London, United Kingdom, Theodosia Togia, resident of Cambridge, United Kingdom, and James Hammerton, resident of London, United Kingdom, (hereinafter called the “Assignors”), have invented certain new and useful inventions entitled “AUTOMATED TASK MANAGEMENT SYSTEM,” the specification of which:

- ☐ is attached hereto.
- ☒ was filed on August 25, 2016, and assigned U.S. Application No. 62/379,521.

WHEREAS, Gluru Limited, a company, having its principal place of business at 11 Greek Street, London, United Kingdom W1D 4DJ (herein called the “Assignee”), is desirous of acquiring and Assignors are desirous of assigning to Gluru Limited all right, title, and interest in and to said Invention, patents and patent applications on said Invention;

NOW, THEREFORE, Assignors, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, do hereby SELL, ASSIGN and CONVEY unto Assignee all right, title and interest throughout the world in and to said invention, this assignment including, but not being limited to:

1. All applications for patent or like protection on said Invention made by Assignors or their legal representatives, whether in the United States of America or any other country or place anywhere in the world;
2. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extension, and the like of said applications and patents and like grants, including

without limitation, those obtained or permissible under past, present and future laws or statutes;

3. All rights of action on account of past, present and future unauthorized use of said Invention and for infringement of said patents and like protection;

4. The right to file in its name applications for patents and like protection for said Invention in any country or countries foreign to the United States; and

5. All international rights or priority associated with said Invention, applications for patents, patents and like protection.

I/We hereby authorize and request the Director of U.S. Patent and Trademark Office, and all other national patent offices in which corresponding applications are filed, to issue any patents for the said invention to said assignee, of the entire right, title, and interest in and to the same, for his sole use and behoof and for the use and behoof of his legal representatives, to the full end of the term for which said patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

Assignors covenant that Assignors, their heirs, legal representatives, assigns, administrators, and executors will execute all papers and perform such other acts, with expenses if any to be paid by Assignee, as may be reasonably necessary to give Assignee, its successors and assigns, the full benefit of this Assignment. This Assignment shall be binding upon and shall inure to the benefit of the successors, assigns and legal representatives of the parties hereto.
