ASSIGNMENT BY INVENTORS

WHEREAS, we, Daniel Lyons, a citizen of the United States of America, having a mailing address of 1317 North V Street, Spc #22, Lompoc, California 93436; Robert Taylor, a citizen of the United States of America, having a mailing address of 1626 Payeras Street, Santa Barbara, California 93109; ~~Sun~~ Kanghua^{Sun} a citizen of China, having a mailing address of 647 Walcott Ave., Ventura, California 93003; Charlie O'Rourke, a citizen of the United States of America, having a mailing address of 6338 Lindmar Drive, Goleta, California 93117; Tom Miller, a citizen of the United States of America, having a mailing address of 6338 Lindmar Drive, Goleta, California 93117; Nick Atallah, a citizen of the United States of America, having a mailing address of 6338 Lindmar Drive, Goleta, California 93117; and Matt Frowiss, a citizen of the United States of America, having a mailing address of 6338 Lindmar Drive, Goleta, California 93117 (hereinafter the "Assignors"), are the inventors and owners of a certain new and useful invention(s) (hereinafter "Invention") and improvement(s) entitled "Chain Mooring Windlass with Two-Stage Gear Reduction and Movable Drive Mechanism", as set forth in a Provisional U.S. Application for Letters of Patent of the United States, already filed on June 10, 2016, as U.S. Application No. 62/348,597 ("Provisional Application"), U.S. Application for Letters of Patent of the United States, already filed on June 12, 2017, as U.S. Application No. 15/620,538 ("Utility Application") and PCT International Application No. PCT/US2017/037046, filed on June 12, 2017 ("PCT Application"), (the latter two applications claiming the benefit of or priority to said "Provisional Application"), (collectively said "Filed Applications").

WHEREAS, Bardex Corporation, a corporation organized under and pursuant to the laws of the State of California having its principal place of business at 6338 Lindmar Drive, Goleta, California 93117 (hereinafter "the Assignee"), is desirous of acquiring the entire right, title and interest in and to said Invention and in and to any United States or corresponding foreign, international, or regional application (including any PCT International Application and any Regional Applications such as an EPO Patent Application) claiming or applied for (now or in the future) the Invention and any Letters

Patent to be obtained therefor and thereon (to the extent any such right, title, and interest have not been previously acquired).

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over unto Assignee, its successors, legal representatives and assigns, their entire right, title and interest (including the right to sue for past infringement) in and to

(a) said Invention and improvements entitled "Chain Mooring Windlass with Two-Stage Gear Reduction and Movable Drive Mechanism" and worldwide rights therein;

(b) said Provisional Application;

(c) said Utility Application and said PCT International Application;

(d) any United States or corresponding foreign, regional (including any patent application filed with the European Patent Office) or international patent application claiming or applied for (now or in the future) the Invention, or claiming priority to, or the benefit of the filing date of, (now or in the future) the Invention, or claiming priority to, or the benefit of the filing date of, (now or in the future) the Provisional Application, Utility Application, or PCT International Application, including all divisions, continuations, continuations-in-part and substitutions thereof; and

(e) any and all United States and foreign patents which shall issue on said Invention or from any of the above-identified applications ((a) - (d)) including all reissues, reexaminations, renewals, divisions, continuations, and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file applications for Letters Patent on said Invention in any and all foreign countries and any other patent office, the same to be held and enjoyed by said ASSIGNEE, its assigns and

successors, as fully and entirely as the same would have been held and enjoyed by me, had this Assignment and sale not been made.

AND for the same consideration, each Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said Invention and said application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignors have good and full-right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, each Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said Invention, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said Invention, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said Invention in any country or patent office, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors hereby request the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said Invention and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
