ASSIGNMENT

With the signature below, confirm Michael Häuslschmid, Head of IP Management by LEONI and responsible for IP issues in the Division Wire & Cable Solutions, wherein j-plasma GmbH (in the following "j-plasma") is a one hundred percent subsidiary of LEONI and organized in my Division.

j-plasma is a German company having a principal place of business at Im Semmicht 1, Jena, Germany D-07751.

Ralitsa Rosenow

one of the inventors of the invention

Preform for an Optical Waveguide and a Fiber with a Non-Circular Core

Application No. 14/687,215
Filed on 15 April 2015
Attorney Docket No.15262-5

has assigned the entire rights on the invention to j-plasma by the German Employee Inventor Act, which is applicable by a German inventor and company.
Therefore, j-plasma is solely entitled to file patent applications, reissues, reexaminations, and extensions of the invention which issue in any country upon said patent applications, which correspond with or claim priority from said applications, or any divisional, continuation, or continuation-in-part, including the sole entitlement to sue and collect for past infringement; the same to be held and enjoyed by j-plasma for its own use, and for the use of its legal representatives, to the full term for which such patents are entitled.
