Whereas, Opto Generic Devices, Inc., a corporation of New York, having a place of business at 174 Pumpkinhook Road, Van Hornesville, New York 13472 (herein referred to as "ASSIGNEE."), desires to acquire, and I desire to grant to Opto Generic Devices, Inc., my entire worldwide right, title, and interest in and to the Invention and in and to any and all patent applications and patents directed thereto;

(the "ASSIGNEE"), its successors, legal representatives, and assigns, my entire worldwide right, title, and interest in and to the Invention, the above-identified United States patent application, and any and all other patent applications and patents for the Invention which may be applied for or granted therefor in the United States and in all foreign countries and jurisdictions, including all divisions, continuations, reissues, reexaminations, renewals, extensions, counterparts, substitutes, and extensions thereof, and all rights of priority resulting from the filing of such applications and granting of such patents. In addition, I hereby authorize and request the Director of the United States Patent and Trademark Office to issue any United States Patent, and foreign patent authorities to issue any foreign patent, granted for the Invention, to Opto Generic Devices, Inc., its successors, legal representatives, and assigns, my entire worldwide right, title, and interest in and to the same to be held and enjoyed by Opto Generic Devices, Inc., its successors, legal representatives, and assigns to the full end of the terms for which any and all such patents may be granted, as fully and entirely as would have been held and enjoyed by me had this Assignment not been made; and I agree to execute any and all documents and instruments and perform all lawful acts reasonably related to recording this Assignment or perfecting title to the Invention and all related patents and applications, in Opto Generic Devices, Inc., its successors, legal representatives, and assigns, whenever requested by Opto Generic Devices, Inc., its successors, legal representatives, or assigns.

I acknowledge my prior and ongoing obligations to sell, assign, and transfer my rights under this Assignment to Opto Generic Devices, Inc., and am unaware of any reason why I may not have the full and unencumbered right to sell, assign, and transfer my rights hereby sold, assigned, and transferred, and have not executed, and will not execute, any document or instrument in conflict herewith.
