ASSIGNMENT

This Assignment is made

BETWEEN:

Ralph Christian BREMENKAMP, a German citizen c/o Leienfelsstrasse 10, München 81243, Germany;

(the "Inventor")

AND:

RCBD GmbH, a German company of Leienfelsstrasse 10, München 81243, Germany;

AND:

TomTom International B.V., a Dutch corporation of De Ruijterkade 154, 1011 AC Amsterdam, Netherlands (the "Assignee").

WHEREAS, the Inventor is employee of RCBD GmbH, and during the course of his employment, and on request of the Assignee, has designed and invented a:

PORTABLE NAVIGATION DEVICE

(Docket ID No. D76/EM)

and in respect of which has been filed:

European Community Design Application No 003773209-001 on 28 February 2017.

WHEREAS, the Assignee is desirous of acquiring all right, title, and interest in and to the invention(s) as set forth in the above listed applications and the applications themselves.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the Inventor and RCBD GmbH confirm any prior assignment to the Assignee and the right of the Assignee to file the aforementioned applications, and to the extent that the Inventor and/or RCBD GmbH, as appropriate, have not already done so,

agree to assign, and hereby do, sell, assign and transfer unto the Assignee and its successors in interest, the full and exclusive right, title and interest in any country of the world, including the right to claim priority under the laws of the United States, the Paris Convention, and any foreign countries, to the invention(s) as described in the aforementioned applications, to the applications themselves, and all divisions, continuations, continuations-in-part, national phase applications or other applications claiming priority directly or indirectly from the aforementioned applications, and any patents, registered designs, utility models, or other similar rights which may be granted thereon, including reissues, reexaminations and extensions thereof, and all copyright and unregistered design rights throughout the world in the applications and the subject matter disclosed therein, these rights, title and interest to be held and enjoyed by the Assignee to the full end of the term for which the patents, utility models, registered designs or other similar rights, are granted and any extensions thereof as fully and entirely as the same would have been held by the Inventor and/or RCBD GmbH, as appropriate, had this assignment not been made, and the right to sue for, and recover for past, present and future infringements of, or liabilities for, any of the rights relating to any of the applications, patents, registered designs, utility models, or other similar rights, resulting therefrom, and the copyright rights;

the Inventor and/or RCBD GmbH, as appropriate, hereby covenant and agree to execute all instruments or documents required or requested for the making and prosecution of any applications of any type for patent, utility model, registered design or other similar rights, and for copyright, in any country of the world including, but not limited to, any provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, and as to letters patent any reissue, re-examination, or extension thereof, and for litigation regarding, or for the purpose of protecting title in and to the invention(s), the applications and patents in respect thereof, and to testify in support thereof, for the benefit of Assignee without further or other compensation than that above set forth.
