ASSIGNMENT AGREEMENT - WORLDWIDE

Each Assignor and Assignee listed below agree as follows: for good and valuable consideration, the receipt and sufficiency of which is acknowledged by Assignor, and in furtherance of and as contemplated by the employment and/or other contractual relationship between Assignor and Assignee, Assignor has sold, assigned, and transferred, and by virtue of this assignment agreement sells, assigns, and transfers to Assignee, its successors and assigns, the full and exclusive right, title and interest for the entire world in and to: (a) the patents and/or patent applications listed in the table below:

Patent Doc. No.	Filing/Grant Date	Title
US 15/710,600	20 Sep 2017	Firearm Magazine
PCT/US2017/052551	20 Sep 2017	Firearm Magazine

(b) the inventions set forth in the patents and/or patent applications identified in (a); (c) all improvements to and modifications of the inventions identified in (b); (d) all other patents and/or patent applications filed anywhere in the world for the inventions, improvements, and modifications identified in (b)-(c); (e) all divisional applications, continuation applications, reissue applications, reexamination applications, review applications, and extensions of such applications that claim priority to at least one of the patents and/or patent applications identified in (a) or (d); and (f) the right to claim priority to any of the patents and/or patent applications identified in (a) and (d)-(e) under the International Convention or any other applicable agreement or law; such right, title, and interest to be held and enjoyed by Assignee, its successors and assigns, to the full end of the term or terms for which all such patents may be granted as fully and entirely as would have been held and enjoyed by Assignor had this assignment agreement not been made.

Assignor authorizes Assignee to file patent applications in any country for the inventions, improvements, and modifications identified in (b)-(c) in the name of Assignor, Assignee, or otherwise as Assignee may deem advisable under the International Convention or other applicable agreement or law.

Assignor agrees to: (1) communicate to Assignee, its successors and assigns, or their representative or agents, all facts and information known or available to Assignor respecting the inventions, improvements, and modifications identified in (b)-(c) above including facts and information relevant to or useful for interference, reexamination, reissue, opposition, revocation, extension, or infringement proceedings or other legal, judicial, or administrative proceedings, whenever requested by Assignee; (2) testify in person or by affidavit as required by Assignee, its successors and assigns, in any such proceeding in the United States or any foreign country; (3) execute and deliver, upon request by Assignee, all lawful papers including, but not limited to any papers associated with the patents identified in (a) and (d)-(e) above such as powers of attorney, affidavits, declarations, depositions, assignment agreements required by foreign patent offices to effectuate the transfer of ownership from Assignor to Assignee; and (4) provide all reasonable assistance to Assignee, its successors and assigns, in obtaining and enforcing proper title in and protection for the inventions, improvements, and modifications identified in (b)-(c) above under the intellectual property laws of the United States and all foreign countries.

Assignor represents and warrants that Assignor has the full and unencumbered right to sell, assign, and transfer the interests sold, assigned, and transferred in this assignment agreement, and

that Assignor has not executed and will not execute any document or instrument that conflicts with this assignment agreement.

Assignor understands and agrees that the attorneys and agents of the law firm of Holland & Hart LLP represent Assignee and do not represent Assignor or Assignor's legal interests and, for this reason, the referenced attorneys and agents cannot provide legal advice to Assignor with respect to this assignment agreement. Assignor acknowledges Assignor's right to seek independent legal counsel.
