WORLDWIDE ASSIGNMENT TO C.R. BARD INC.

Attorney Docket No. 289-PDF-06-04 WO

For good and valuable consideration, we, **Khoi Q. Ta**, residing at **3256 Patina Court San Jose, CA 95135**, a citizen of U.S.A.; and **Andrzej J. Chanduszeko**, residing at **311 North Carriage Lane, Chandler, AZ 85224**, a citizen of U.S.A. hereinafter referred to as Assignors, hereby sells, assigns, transfers, and set over to **C. R. BARD, INC.**, a Corporation, organized and existing under the laws of New Jersey having its principal place of business at 730 Central Avenue, Murray Hill, New Jersey, 07974 U.S.A., hereinafter referred to as Assignee, its successors, assigns and legal representatives, the entire right, title and interest, in and for the United States and all foreign countries, in and to any and all inventions which are disclosed in a provisional or non-provisional application for United States Letters patent, which has been filed on behalf of the undersigned and assigned **Serial No. 60/811,034** on **6 May 2006** and worldwide application assigned **Serial No. PCT/US2007/070311** on **June 4, 2008** and is entitled:

Embolus blood clot filter utilizable with a single delivery system or a single retrieval system in one of a femoral or jugular access

in and to said application and any and all non-provisional, divisional, continuing, substitute, renewal, reissue, re-examination, extensions, certificates, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions or to which the benefits of the priority date of said application is or will be claimed; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said inventions including all rights under the International Convention for the Protection of Industrial Property to be held and enjoyed by Assignee for its own use and the use of its successors, legal representatives and assigns to the full term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor, had the assignment not been made;

Assignor agrees that Assignee may apply for and receive Letters Patent in this or any other countries for said inventions in its own name;

Assignor agrees that, at the request of the Assignee and, without charge to but at the expense of said Assignee, Assignor will carry out in good faith the intent and purpose of this Assignment; execute forms and documents for all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to Assignee all facts known to the undersigned relating to said inventions and the history thereof; and generally do everything possible which Assignee shall consider desirable for aiding in securing and mainlining proper patent protection for said inventions and for vesting title to said inventions, and all applications for patents and all patents on inventions in said Assignee;

Covenant with Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
