Gilad LURIA, residing at 18 Sde Boker St., Givataim 5346548 Israel

hereby sell, assign and transfer to:

SMART Medical Systems Ltd.  
10 Hanofar St.  
P.O Box 4123  
Raanana 4366404  
Israel

(hereinafter "Assignee"), its successors, assigns and legal representatives, the entire right, title and interest for all countries, in and to any and all inventions which are disclosed and claimed, and as possessed by the undersigned, any and all inventions which are disclosed but not claimed in the Application for Patent:

having U.S. Patent Application No. 14/439,235;  
having AlphaPatent Associates Ltd. docket no. 2429-US;  
and titled:

## **ENDOSCOPY DEVICES AND APPLICATIONS THEREOF**

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for patent or other related property rights in any and all countries which have been or shall be filed on any of said inventions disclosed in said application; and in and to all original and reissued patents or related foreign documents which have been or shall be issued on said inventions;

Authorize and request the Commissioner of Patents of the United States to issue to said Assignee, the corporation above named, its successors, assigns and legal representatives, in accordance with this assignment, any and all United States Patent on said inventions or any of them disclosed in said application;

Agree that said Assignee may apply for and receive a patent or rights of any other kind for said inventions, or any of them; and may claim, in applications for said patent or other rights, the priority of the aforesaid United States patent

application under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the under-signed or the undersigned's executors or administrators will, for all countries, execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related rights and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives;
