(collectively hereinafter called "the Assignee"), the entire right, title, and interest in the world in the inventions and improvements which are described in the application for United States Patent signed by Assignor entitled:

DYNAMIC TEXT-TO-SPEECH RESPONSE FROM A SMARTPHONE

which is identified by Attorney Docket No. **B2108-704019_WS-1**. Assignor filed an application of United States Letters Patent on May 1, 2015, Application Serial No. **15/607,101** (hereinafter the "Application").

This assignment includes: (i) the Application; (ii) continuation, division, and United States applications which claim priority to the Application; (iii) foreign and international applications which claim priority to the Application; (iv) United States and foreign patents, utility models, inventor's certificates, and other rights granted for any of the inventions or improvements disclosed in or claimed in the Application, and (v) the right to claim priority based on the filing date of the Application under the United States Code, the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and other statutes or treaties of like purposes.

Assignor authorizes the Assignee to apply in all countries in my name for patents, utility models, design registrations, inventor's certificates, and rights of exclusion for any inventions or improvements which are disclosed in or claimed in the Application. Assignor agrees for himself or herself and their respective heirs, representatives and assigns, without further compensation, to perform all acts and to sign such further applications, assignments, preliminary statements, and other documents as the Assignee may reasonably request to effectuate fully the Application.

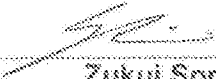

Assignor covenants that he or she has the full right to convey the

by this Assignment, and that he or she has not executed and will not execute any agreement in conflict with this Assignment. Assignor further agrees that he or she will, without further consideration: (i) promptly disclose to Assignee's patent attorney any prior art known to Assignor during the pendency of the Application or other US or foreign related applications; (ii) testify in any legal or administrative proceeding and participate in any examiner interview relating to the inventions or improvements described in or subject of the Application; and (iii) provide reasonable assistance to the Assignee to obtain and enforce proper patent protection for the inventions and improvements described in or subject of the Application.

This assignment and all disputes under this assignment shall be governed by the laws of the Commonwealth of Massachusetts. Any and all claims, lawsuits, or disputes of any kind between Assignor and Assignee shall be resolved in federal or state courts in the Commonwealth of Massachusetts.

In testimony whereof, I have hereunto set my hand.

In witness whereof, I hereto set my hand and seal
