ASSIGNMENT

THIS ASSIGNMENT is effective as of the 30th day of June, 2017 ("Effective Date") by and between Online Connectivity Inc., a Florida company (the "Vendor") and SolutionInc Limited, a corporation existing under the laws of Canada (the "Assignee").

WHEREAS the Vendor owns all interest, right, title, property and benefit in and to: (i) all patents listed on Schedule "A" hereto, including all inventions therein disclosed (the "Subject Patents"); and (ii) all inventions, patents and patent applications claiming priority to, or through, the Subject Patents or from which any of the Subject Patents claim priority including, without limitation, all (1) patents, patent applications, provisional applications, continuation applications, continuation-in-part applications, divisional applications, reissue patents, reexamination patents, design patents and design patent applications claiming priority to, or through, any of the Subject Patents or from which any of the Subject Patents claim priority and counterparts filed in the United States, and (2) all foreign patents, foreign patent applications, foreign counterparts including utility models and the like claiming priority to, or through, any of the foregoing provided, however, that each such patent, patent application, other application, extension or counterpart exists as at the Effective Date (collectively, the "Patents"); and

WHEREAS the Vendor has agreed to assign all interest, right, title, property and benefit in and to each of the Patents to the Assignee;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby expressly acknowledged, the Vendor hereby sells, assigns, transfers, conveys and sets over to the Assignee (1) all of the Vendor's interest, right, title, property and benefit in and to each of the Patents, (2) the sole right to collect any damages for past, current and future infringement of each of the Patents to the extent not covered by license agreements or forbearances existing as of the date hereof that have been expressly disclosed to the Assignee prior to the date hereof and (3) the right to sue for past, current and future infringement of each of the Patents.

IN WITNESS WHEREOF, the Vendor has caused this Assignment to be executed effective as of the Effective Date by its duly authorized officer.
