Patent Assignment

For consideration of \$1, Rich Masel (INVENTOR) assigns to Dioxide Materials, Inc (PURCHASER) and their heirs and assigns all rights to patent applications 15/724,933 for inventions described as "Devices For Electrocatalytic Conversion Of Carbon Dioxide" and all subsequent provisional and non-provisional patents referring to this patent, including rights to apply for non-provisional patents, divisions, continuations, reissues, renewals, re-examinations, foreign counterparts, substitutions or extensions thereof or to practice the invention worldwide.

1. Notices

Any notice required by this agreement or given in connection with it shall be in writing and shall be given to the appropriate party by personal delivery or a recognized overnight delivery service such as FedEx.

If to Dioxide Materials Inc: Dioxide Materials, attn Rich Masel, 3998 FAU Boulevard, Suite 300, Boca Raton FL 33431-6429

If to Inventor: 6503 Las Flores Dr, Boca Raton, FL, 33433

2. No waiver

The waiver or failure of either party to exercise in any respect any right provided in this agreement shall not be deemed a waiver of any other right or remedy to which the party may be entitled.

3. Entirety of Agreement

The terms and conditions set forth herein constitute the entire agreement between the parties and supersede any communications or previous agreements with respect to the subject matter of this Agreement. There are no written or oral understandings directly or indirectly related to this Agreement that are not set forth herein. No change can be made to this agreement other than in writing and signed by both parties

4. Governing Law

This agreement shall be construed and enforced according to the laws of the Florida and the county of Palm Beach FL. Any dispute under this agreement must be brought in this venue and no other.

5. Headings in this Agreement

The headings in this Agreement are for convenience only. They confirm no rights or obligations in either party and do not alter any terms of this Agreement

6. Severability

If any term of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, then this Agreement, including all of the remaining terms, will remain in full force and effect as if such invalid or unenforceable term had never been included.

In Witness thereof, the Inventor has assigned the Patent Rights to Dioxide Materials, Inc
