ASSIGNMENT

WHEREAS, Global Alliance For Livestock Veterinary Medicines ("GALVmed"), a registered charity and company limited by guarantee which is incorporated in England and Wales under the Companies Acts with registered number 05393391 and having its registered office at Maclay Murray and Spens, One London Wall, London EC2Y 5AB, United Kingdom, ASSIGNOR, is co-owner with CELGENE CORPORATION of the invention in ANIMAL AND HUMAN ANTI-TRYPANOSOMONAL AND ANTI-LEISHMANIA AGENTS for which a non-provisional application for a Patent of the United States has been filed

- ☒ which is identified by Jones Day docket no. 14247-052-999
- ☒ which was filed on June 1, 2017, Application No. 15/611,061
- ☒ We hereby authorize and request attorney(s) at Jones Day, to insert here in parentheses (Application number 15/611,061, filed June 1, 2017) the filing date and application number of said application when known.

and WHEREAS, CELGENE CORPORATION, a corporation organized and existing under the laws of the state of Delaware, and having an office for the transaction of business at 86 Morris Avenue, Summit, New Jersey, 07901, the United States of America, ASSIGNEE, is desirous of obtaining GALVmed's entire right, title and interest in, to and under the said invention and the said application:

NOW, THEREFORE, pursuant to the MATERIAL TRANSFER AND COLLABORATION AGREEMENT with an effective date of April 20, 2015 by and between GALVmed and CELGENE CORPORATION, and for good and valuable consideration, the receipt of which is hereby acknowledged, GALVmed, the said ASSIGNOR, has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, GALVmed's entire right, title and interest in, to and under the said invention, and the said United States provisional application and all applications claiming priority thereto under 35 U.S.C. § 119(e) and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and all right to sue for infringement including past infringement;

AND GALVmed HEREBY authorizes and requests the Commissioner for Patents and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND GALVmed HEREBY covenants and agrees that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

AND GALVmed HEREBY further covenants and agrees that it will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to it respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.
