ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, made by Raymond B. Raven, III; (hereinafter referred to as Assignor), having address of 280 Anita Drive, Pasadena, California 91105;

WHEREAS, Assignor has invented certain new and useful improvements in HARP WRIST PLATE DESIGN, *set forth in* a Design application for Letters Patent of the United States, filed on October 5, 2016 as U.S. application No. 29/580,105; and

WHEREAS, OsteoMed LLC, a Limited Liability Company organized under and pursuant to the laws of Delaware having its principal place of business at 3885 Arapaho Road, Addison, Texas 75001 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby covenants and agrees that Assignor has full right to convey the entire interest herein assigned, and that Assignor has not executed and will not execute any agreements in conflict herewith.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that when requested and at the sole expense of Assignee, Assignor will sign all papers and documents, take all lawful oaths and do

all acts reasonably necessary or reasonably required to be done, when reasonably requested by Assignee and at Assignee's sole expense, for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment only any further identification which is necessary in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
