ASSIGNMENT

WHEREAS, I, John Earle of Lake Oswego, Oregon, have invented certain improvements in an invention entitled BOOT ANKLE PANEL, for which I filed U.S. Design Patent No. D695,510 issued on December 17, 2013; and

WHEREAS, CHINOOK ASIA LLC, an Oregon limited liability company, having its principal place of business in Lake Oswego, Oregon, is desirous of acquiring an interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, I, John Earle, have sold, assigned, and transferred, and do hereby sell, assign, and transfer, to CHINOOK ASIA LLC, its successors and assigns, the full and exclusive right to the invention in the United States and its territorial possessions and in all foreign countries, and the entire right, title, and interest in and to any and all Letters Patent that may be granted therefor in the United States and its territorial possessions and in any and all foreign countries, and in and to any and all divisions, continuations, reissues, substitutions, and extensions thereof.

I hereby authorize and request the Patent Office officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to CHINOOK ASIA LLC, as the assignee of my entire right, title, and interest in and to the same, for the sole use of CHINOOK ASIA LLC, and its successors and assigns.

Further, I hereby covenant and agree to and with CHINOOK ASIA LLC, and its successors and assigns, at the time of execution and delivery of these presents, that I am the sole and lawful owner of the entire right, title, and interest in and to the invention and the above-identified patent application, and that the same are unencumbered, and that I have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

Further, I agree that I will communicate to CHINOOK ASIA LLC, or its representatives, any facts known to me respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue, substitution, and extension applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to CHINOOK ASIA LLC, make all rightful oaths, and generally do everything possible to aid CHINOOK ASIA LLC, and its successors and assigns, to obtain and enforce proper protection for the invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 10th day of October, 2017.

John Earle
