ASSIGNMENT

WHEREAS, I, **William Hearl**, citizen of **United States of America**, residing at **9611 Greenel Road, Damascus, Maryland 20872, US**, ASSIGNOR, am an inventor of one or more inventions disclosed, described and/or claimed in **International Patent Application No. PCT/US2012/042552 filed June 15, 2012** ("the invention"), which is entitled **NUCLEIC ACIDS FOR TREATMENT OF ALLERGIES** ("the subject application").

AND WHEREAS, **IMMUNOMIC THERAPEUTICS, INC.**, ASSIGNEE, having a place of business at **1214 Research Boulevard, Suite 2016, Hershey, Pennsylvania 17036, US** is desirous of obtaining my entire right, title, and interest in, to, and under the invention:

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the ASSIGNOR, hereby sell, assign, transfer, and set over, unto the ASSIGNEE, its successors, legal representatives, and assigns, my entire right, title, and interest in, to, and under the invention, and all applications for industrial property protection, including without limitation, all applications for patents, utility models, inventors' certificates, and designs that have been filed, and that may hereafter be filed, in any country, that disclose, describe, and/or claim the invention, including, without limitation, the subject application, and all extensions, renewals, and reissues of such application, including all divisions and continuations in whole or in part; all patents granted on such application in any country, and all extensions, renewals, and reissues of such patents, including all divisions and continuations in whole or in part; the right to file such application in any country; and the right to claim for such application in any country the priority rights derived from the subject application under the International Convention for the Protection of Industrial Property, the Patent Laws of the United States, any other international agreement or protection, or the domestic laws of any country in which any such application is filed, as may be applicable.

AND I HEREBY covenant and agree that I have full right to convey my entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to the ASSIGNEE, its successors, legal representatives, and assigns, any facts known to me respecting the invention, and testify in any legal proceeding, sign all lawful papers, execute all disclaimers and all divisional, continuing, reissue, and foreign applications, make all rightful oaths, deliver upon request all papers, documents, affidavits, or other instruments that may be necessary or helpful in the prosecution of any application for industrial property protection describing and/or claiming the invention, and generally do everything possible to aid the ASSIGNEE, its successors, legal representatives, and assigns, to obtain and enforce proper protection for the invention in all countries.
