(Assignee) desires to purchase all the rights in Applications;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations paid by the said Assignee, the receipt and sufficiency of which are hereby acknowledged, Assignor has and by these presents does hereby sell, assign, transfer and convey unto said Assignee all of Assignor's rights, title, and interest in and to Applications, including in and to any provisional, conventional, design, divisional, continuation, continuation-in-part, substitution, reissue, renewal, reexamination, continued prosecution application (CPA), or request for continued examination (RCE) thereof, and in and to all inventions and improvements thereon (herein collectively referred to as Related U.S. Applications), preparatory to obtaining Letters Patent of the United States therefore; and Assignor hereby requests the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said Applications and Related US Applications, to Assignee, for its interest and for the sole use and benefit of Assignee and its assigns and legal representatives.

For the same consideration, Assignor, by these presents does sell, assign, and transfer to Assignee all of Assignor's rights, title and interest in and to any foreign and international applications related to and/or seeking benefit of one or more Applications and Related U.S. Applications, and in and to all inventions and improvements thereon (herein collectively referred to as Related Foreign Applications), in and to any Letters Patent and similar protective rights granted on said Related Foreign Applications, and in and to the right to claim any applicable priority rights arising from or required for said Related Foreign Applications under the terms of any applicable conventions, treaties, statutes, or regulations, said Related Foreign Applications to be filed and issued in the name of Assignee or its designee, insofar as permitted by applicable law.

For the same consideration, Assignor agrees, without charge to Assignee, but at Assignee's expense, to sign all lawful papers, execute Applications, Related U.S. Applications and Related Foreign Applications, make all assignments and rightful oaths, assist in prosecution of Applications, Related U.S. Applications and Related Foreign Applications, assist in prosecution of legal proceedings, and generally do everything reasonably possible to aid Assignee its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.

And, for the same consideration, Assignor also hereby sells, assigns, and transfers unto Assignee all of Assignor's rights and claims to sue for damages and other remedies with respect to any and all past infringement of all Applications, Related U.S. Applications, and Related Foreign Applications, including inventions and improvements that may have occurred before the date of this Assignment.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 13 day of October, 2017.
