REEL: 043889 FRAME: 0876

WHEREAS the said "Assignor" is an employee of the Assignee;

WHEREAS certain employees of Assignee to this Deed, along with the Assignor, are the true and first inventors in respect of the inventions (each such invention is hereinafter referred to as "Invention"), and have filed patent applications in certain territories for grant of patent rights in respect of the Inventions (such patent application, together with (a) all divisions, continuations, continuations-in-part, foreign-counterparts, patents of addition, and substitutions in relation to the Invention in any part of the world; (b) all registrations, re-issues, re-examinations or extensions of any kind with respect to any of such patents in relation to the Invention; and (c) and all rights and benefits in relation to the Invention under any applicable treaty or convention are collectively hereinafter referred to as 'Patent Rights');

AND WHEREAS the "Assignee" is desirous of acquiring entire right, title and interest in and to the Invention and Patent Rights worldwide.

NOW, THEREFORE, for and in consideration of the receipt of salary by the Assignor from the Assignee, (the receipt, adequacy and sufficiency of which is hereby acknowledged by the "Assignor") and the existing relationship between the parties, the "Assignor" agrees to assign and hereby unconditionally and irrevocably assigns to the "Assignee" the full and exclusive benefit, right, title and interest in and to the Invention and the Patent Rights worldwide, including:

- (a) the right to recover and take all such proceedings as may be necessary for the recovery of damages or otherwise in respect of all infringements of any of the Patent Right(s), whether committed before or after the date of this agreement;
- (b) the absolute entitlement to any Patent Right(s) granted pursuant to any of the application(s) comprised in the Inventions and patent(s), for the full term of such patent(s); and
- (c) the right to apply for, prosecute and obtain patent or similar protection in India and all other countries of the world for an invention embodied by any of the application(s) comprised in the Patent Right (s), including the right to claim priority from such application(s).

THE "ASSIGNOR" hereby undertakes and states that:

- (A) He has not executed and shall not at any point of time in the future execute any document which would conflict with this Assignment.
- (B) He has not done and shall not at any point of time in the future do any act whatsoever which would conflict with this Assignment.
- (C) He will make execute and deliver any and all other instruments, applications and documents in writing including any and all further papers and other documents, appear before any regulatory and/or administrative and/or judicial and quasi-judicial authorities and generally do all things which may be necessary or desirable to further perfect the right, title and interest of the "ASSIGNEE" in relation to the Invention and the Patent Rights worldwide;
